06/04/18 Stephen L. Sharp Jr. Kentucky Power Company Kentucky Power Companys June 4, 2018 Supplemental Response to KPSC 1-2.

05/31/18 Order Entered: 1. Kentucky Power's petition for confidential protection for all engineering, vulnerability and detailed design information that relates details about the transportation, transmission, or distribution of energy submitted by Kentucky Power in Response No. 2 is granted. 2. The designated material shall not be placed in the public record or made available for public inspection until further Orders of this Commission. 3. Use of the material in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. Kentucky Power shall inform the Commission if the material in question becomes publicly available or no longer qualifies for confidential treatment. 5. If a non-party to this proceeding requests to inspect the material granted confidential treatment by this Order Kentucky Power shall have 20 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If Kentucky Power is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the requested material available for inspection for 20 days following an Order finding that the material no longer qualifies for confidential treatment in order to allow Kentucky Power to seek a remedy afforded by law.
